

OLD GRANNY'S GARDEN

Old granny's garden

This is the story of the most magical place on earth where the air is full of peace, love, rest and care.

You can stay in this place for hours; read books, knit, embroider... just walk in the garden, pick apples, fly up on a swing...

And imperceptibly all anxieties will dissolve in the fragrant air, sadness will vanish, the heart will be filled with joy and inspiration.

Let there be such a warm corner in your house with these wonderful stories.
